We hope that you had a wonderful Christmas celebration. Happy New Year of 2024!

The main news for this newsletter is Open Door Chapel's **49<sup>th</sup> anniversary**. Our celebration on January 28<sup>th</sup> will include a dinner before our evening service, special music during the service, and an invited speaker for the evening. Please join us to celebrate and give thanks to God for 49 years if you are able.

Our weekly service continues to include a message from one of our volunteer speakers. Several of these speakers visit us on a regular basis, while we are excited to welcome a **new speaker** in early February (hopefully on 2/4). Thank you to all of speakers who share the word of God with us.

Over the past several months, we have been making some updates to our **website** at <http://www.theopendoorchapel.org>. Besides basic information about Open Door, we now are posting this newsletter on the website. We are hoping to improve the design to make it more visually appealing, informative, and easier to find from search engines.

We are still trying to discern new ways to **reach out** to the local LGBT community in Fort Wayne. As we come up with new ideas, we will share them in upcoming newsletters.

If you have any **prayer intentions** that you would like us to include in our weekly service (joys, concerns, or thanksgivings), please let us know.

You are **always welcome** at any service, monthly meeting, or monthly dinner. If you would like to RSVP for dinner or any event, please email or leave a message on our voicemail.
