"We believe in God as expressed through the life and teaching of Jesus Christ. Open Door Chapel is a safe, loving, accepting place to worship God as we strive for righteousness and peace within our lives and community."

We hope that your summer is going well so far!

Despite excessive heat warnings, our **annual picnic** on June 22nd went well. In fact, the weather was quite pleasant. We had about a dozen folks gather for a delicious meal, conversation, a visit to the memorial tree, and a croquet tournament. (I was asked to report that our pastor won the croquet match, but that he also looks forward to being defeated by a new croquet champion next year). Thank you to everyone who made this event possible.

We continue to work on expanding our **presence in the local community**. Also, thank you to Jim for recreating our classic logo, pins, and business cards!

This summer and fall we will have several **seminarians** who will be speaking for us periodically during our weekly services. We are blessed to have them and all of our regular **speakers** with us to share God's word.

We are looking forward to the celebration of Open Door's **50th anniversary** next January. Stay tuned for more information about this event in the newsletter in upcoming months as planning continues. This will be a major milestone for us.

If you have any **prayer intentions** that you would like us to include in our weekly service (joys, concerns, or thanksgivings), please let us know.

You are **always welcome** at any service, monthly meeting, or monthly dinner. We hope that you will be able to join us soon. May God bless you and enjoy the rest of the warm weather this summer!
